

REMARKS

The title of the application was amended in the Amendment received in the United States Patent and Trademark Office on October 14, 2004. However, the Notice of Allowance still shows the original title. Thus, this requested amendment merely addresses an apparent oversight by the United States Patent and Trademark Office. Accordingly, entry of this Amendment is believed to be proper and is requested. To facilitate this matter, this Rule 312 Amendment is accompanied by a new Application Data Sheet that shows the amended title.

Please confirm receipt and entry of this Amendment.

Respectfully submitted,

Gerald E. Hespos, Esq.
